THE IHDI'S NEW PODCAST!

IHDI Podcast: Chad Price, the IHDI and the Buchelsberger Thesis
December 28, 2023

The International Hip Dysplasia Institute has started a Podcast! In the first episode podcast host, Dr. Pablo Castañeda, talks with orthopedic surgeons, Pooya Hosseinzadeh and Scott Rosenfeld, about hip development after closed and open reduction surgeries in infants with hip dysplasia. The second episode includes an interview with retired director of the IHDI, Dr. Chad Price, The two discuss the Buchelsberger Thesis which is one of the earliest and most detailed works published on hip development and hip dysplasia treatment.
